# Genuine Leather Necklace Case

COLLECTION VERSAILLES

The double-wing opening places the necklace dramatically at centre stage the moment the case is opened.

Finest genuine leather on the inside enhances the luxurious appearance and cradles the piece with exceptional softness.

## Meticulously Crafted

### TRADITION & EXPERTISE – THE FOUNDATION OF OUR CRAFTSMANSHIP

In our in-house atelier, each case is created by hand with meticulous care - from the precisely milled wooden core and magnetic closures to the refined covering in fine calf leather. With every step, artisanal skill and state-of-the-art technology come together in a result that meets the highest expectations.

### INDIVIDUALLY FINISHED WITH PREMIUM EMBOSSING – EVERY PIECE UNIQUE

Each jewellery box unites luxurious workmanship with lasting quality - a unique leather piece created for the presentation of precious jewellery. The wide range of colour combinations leaves little to be desired. In a personal consultation, our advisor will be pleased to show you samples of the cases, the presentation trays and our leather colour palette.
